

**You can help the children, youth, and families served by the Village.
Some ideas are listed below. New ideas are always welcome.
More detailed information can be found on our website www.pcv.org.**

Learn More. One of the most helpful things that you can do is to learn more about the needs of children in our community and the programs the Village offers to address them—then tell others. *Visit the Village, view the video, get on our email list for news and updates, invite a speaker for your group—there are many ways to learn more.*

Volunteer: Consider volunteering at Presbyterian Children's Village at either our Rosemont Campus or the Preheim Center in Southwest Philadelphia. Tutors, recreation helpers, life skills activity leaders, clerical support, and presenters for Career Nights are needed. Current needs include music, drama, gardening, running, knitting, and more. Both leaders and helpers are needed! (Note: volunteers must be 21 or older.)

Use and Promote Easy Giving Opportunities: They cost you nothing!

- Clip and Save Campbell's Labels for Education and General Mills BoxTops for Education.
- When shopping online, instead of going directly to your online retailer or vendor, remember to sign into www.OneCause.com first so you can designate the Village to receive a percentage of your purchase at no cost to you.
- Specify the Village as your designated school on your Target Credit Card and Target will give the Village a percentage of your purchase.

Gifts at Christmas time—and all year round. Christmas gifts are needed for children, teens, and their families. More details are available on the Village website. Your collections of the following items are greatly appreciated by our families: school supplies, new and gently used books for children and teens, new school uniform items, personal hygiene products (no glass bottles), arts and craft supplies, **new** sports equipment, household necessities (house wares, small appliances, **new** linens, etc.) and **new** baby essentials.

Gift Cards: Many of our children and families need food. Gift cards, especially for ShopRite, Acme or Fresh Grocer, in \$25 increments, are needed all year round, with greatest needs during holiday times. An additional list of gift card suggestions is on the Village website.

Presbyterian Children's Village provides a comprehensive range of prevention, child welfare, therapeutic, and educational services and programs to help heal the spirits of children, families, and communities impacted by abuse, neglect, trauma, and poverty. The Village nurtures the individual, encourages healthy familial ties, and strengthens the communities of the Greater Philadelphia region. The Village provides services from two facilities. Residential services and the administrative headquarters are located on a 43-acre campus in Rosemont, PA (Delaware County). The Preheim Center in Southwest Philadelphia houses most of the Village's community-based, prevention, and behavioral health services.

Village History:

- Orphanage founded in 1877 by Presbyterian Women
- Originally in Southwest Philadelphia
- Moved to Rosemont in 1960, estate bequeathed by Samuel Robinson (co-founder Acme Markets)
- 2003: re-established hub in SW Philadelphia with the opening of the Preheim Center

Programs and Services:

- Residential treatment for troubled teens, foster care, adoption, in-home services, after school and summer programs, parent education, and behavioral health services
- Children from birth to 21 and their families—about 5,000 each year
- Sanctuary Certified
- Accredited by JCAHO (Joint Commission on the Accreditation of Healthcare Organizations)
- Member of the Zones of Peace initiative of the Philadelphia Interfaith Council of Religious Leaders (includes Philadelphia Presbytery)

Funding:

- Current Year Budget: \$12 million
- 85% Public Funds through contracts
- 13-15% Private Dollars from churches, foundations, individuals, corporations
